SHARAKAT Award Ceremony

Honoring Success Partners in the Water Projects

19th October
2026

Hilton Hotel
Riyadh, Saudi Arabia

Saudi Water Partnership Company (SHARAKAT)

Is a government owned entity under the Ministry of Finance, it leads the development and tendering of water infrastructure projects such as desalination, wastewater treatment, water transmission pipeline system, and strategic storage reservoir through public private partnerships, SHARAKAT also serves as the primary off-taker of all water types across Saudi Arabia, working with both public and private sector partners to ensure sustainable water supply and national water security.

SHARAKAT Award Ceremony

Celebrates excellence, innovation, and outstanding achievements across Saudi Arabia's water sector. Bringing together government leaders, industry experts, strategic partners, and key stakeholders, the event recognizes exceptional projects and organizations that contribute to sustainable development and the transformation of the water sector.

More than an awards ceremony, the event serves as a platform to foster collaboration, strengthen partnerships, showcase innovation, and reinforce Saudi Arabia's leadership in advancing water sustainability across the MENA region.
